- a) Above charges are HSBC UAE charges only.
- b) Other charges including beneficiary bank(s) and their correspondent bank(s) charges may be deducted from the remittance amounts irrespective of the charge method selected.
- c) The beneficiary of a remittance may be required to pay additional charges depending on the conditions set by the payment system, remitter, remitting bank, or beneficiary bank. For example, for outward payments when the ordering party selects to pay all charges, HSBC will process the transaction with the charge type ‘OUR’, however, it is important to note that some local country clearing systems do not recognize this charge type including payments that are cleared through the Federal Reserve or Clearing House Interbank Payments System (CHIPS) in the USA. For this reason, correspondent banks in the USA may change the charge type from ‘OUR’ to ‘SHA’ or ‘BEN’ when routing the payment to the final beneficiary bank.

1) Will increase by 12% (6% for HSBC Black, Private Banking Credit Card and HSBC Premier MasterCard) for so long as the Cardholder is overdue on the payment. Original Finance Charge rates will be re-instated when Cardholder is not overdue from the next statement date. In addition, a Collection Agency Fee will be charged to the Cardholder's Account when the Bank appoints an external Collection Agency to follow up on the outstanding payment.

2) Certain transactions will be charged as if they were Cash Advances, including purchases at exchange houses, any purchase of foreign currency or any other transactions classified by Visa, MasterCard or HSBC as Quasi Cash. These transactions will be levied with cash interest rate and cash withdrawal fee. The "total amount" shall be the amount of cash withdrawn plus any applicable Foreign Currency Processing Fee.

3) We will charge an over limit fee to the Primary Credit Card Account Holder (or the Supplementary Cardholder) if the credit limit is exceeded. This fee will continue to be charged for each billing period until the Cardholder clears the balance in excess of the Cardholders credit limit at the beginning of the next cycle.

4) Some HSBC ATMs are not on HSBC Group ATM network and as a result, Visa / Plus charges will apply. Please visit [www.hsbc.ae/help/download-centre/](http://www.hsbc.ae/help/download-centre/) to see the HSBC Group ATMs member list..

5) In addition, a standard processing fee (as determined by Visa/MasterCard) of up to 1.21% (inclusive of VAT) may also apply on:

a. any foreign currency transactions where the currency used is Non-AED

b. or international transactions where you opt to pay in your billing currency (AED)

6) Foreign Currency Transactions that are not in your billing currency are converted into your billing currency by the card scheme (Visa or MasterCard) or HSBC using their applicable exchange rates on the day conversion is made (which may involve a conversion to US Dollars or Hong Kong Dollars first). If you opt to pay in your billing currency (AED) and not the foreign currency applicable in the country, the merchant and their financial institutions' applicable exchange rate will instead apply (which may be different from the rate used by HSBC, Visa or MasterCard) and you may be subject to additional fees from them.

7) Please note that HSBC may receive commission from the insurance company for insurance purchased through the Bank. This commission is paid directly by the insurance company. For details of the commission rates please refer to page 16 below. N.B. Credit Shield Plus is an off-sale insurance product and is only applicable for customers who previously enrolled in the product and currently hold a HSBC Black Credit Card and have had the product transferred across.

If you submit a limit order to buy or sell a fixed income product or exchange traded product and your limit order is executed as more than one trades over multiple trading days, you will be charged separate transaction fees on each individual trade, calculated based on the executed quantity or trade value of each trade.

If your order is to buy or sell an investment product in a currency other than USD, GBP, EUR, HKD or AED we will debit or credit your USD Investment Funding Account with the applicable amounts converted from USD to the currency of the investment product or vice versa. Interactive Brokers (UK) Limited will apply the applicable FX rates to such conversions.

\* An administration fee will be charged to you based on each fixed income product or equity security (an **"investment holding"**) held in your Investment Account with Interactive Brokers (UK) Limited. We will calculate this administration fee for so long as you continue to hold one or more investment holdings in your Interactive Brokers (UK) Limited Investment Account. The payment of this administration fee applicable to each investment holding must be the currency of such product. This administration fee will be applicable only to **Investment Accounts opened with Interactive Brokers (UK) Limited after 31 January 2025**.

The administration fee accrues on a daily basis and the daily accrued fee (exclusive of VAT) applicable to each investment holding is calculated as:

0.1% of the total value of your investment holding(s) held in the same currency as recorded by Interactive Brokers (UK) Limited on each day divided by 365.

We provide an illustrative example below on how the administration fee is calculated, assuming there are investment holdings in different currencies in an Investment Account.
